## Other Ways To Help...

**Gifts In Kind**

While we really appreciate all of the gifts that we receive, please consider raising money rather collecting specific items for patients. Financial gifts allow us to fund innovative pieces of equipment, support a number of research and innovation projects and ensure that every patient experiences the best possible outcome and the highest quality of care available.

If you would like to donate a gift, please contact us to discuss what gifts are needed.

**Help while doing you festive shopping**

Did you know you can also support your local hospital charity whilst doing your Christmas shopping without any extra cost to you?

**Easy Fundraising**

You can also donate to us while visiting other retailers by signing up at [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk). The site then takes you onto your shopping page of choice and will offer you a cash reward to turn into donation after you've completed your sale. Easy Fundraising then collects this and sends it to us at no extra cost.

**Amazon Smile**

Shop for presents online and raise money for the charity via Amazon Smile, where a 0.5% donation is donated to us. Visit [smile.amazon.co.uk](http://smile.amazon.co.uk) and select your local NHS charity.
